The Novelty Spencer Sweet Pea Sensation for 1911

"MAUD HOLMES"

SUNPROOF CRIMSON SPENCER

This is undoubtedly one of the finest novelties of recent introduction; flowers are of the largest size, three and four to a spray, carried on long stems, of brilliant crimson, and blooms are of the true Spencer type, both standard and wings being well waved.

The variety will not burn under the hottest sun, is of vigorous and strong growth. The stock is fixed, as is shown by The National Sweet Pea Society's trials in England.

We have been appointed the sole agents for this variety
in America by Robert Holmes, the originator
